

easymoney Accessibility Statement

easymoney is committed to providing access to its website to all people, regardless of ability. To provide this access, this website was developed and is maintained using Web Content Accessibility Guidelines (WCAG 2.1) for accessibility.

The site has been created to be usable as it is. To maximize access to our website, visitors can customize computers to suit their individual needs - for example: screen readers, changes in color-scheme, or font size increases.

If you experience any difficulties accessing information, have ideas or comments that would help us improve the accessibility and usability of our website, or would like additional information on this website, please contact us by calling the Company's call center at (800) 804-5368. The call center will refer your request to the appropriate Department, and that Department will respond to your request. To enable us to respond in a manner most helpful to you, please indicate the nature of the accessibility problem, the web address of the requested material, your preferred format in which you want to receive the material (electronic format (ASCII, etc.), standard print, large print, etc.), and your contact information.
