

Texas Schedule of All Fees
Effective June 2024

Thank you for your interest in TitleMax of Texas, Inc. d/b/a TitleMax ("CSO"). CSO provides credit services – it helps consumers obtain loans from a third-party lender and issues a credit enhancement to the third-party lender to back up consumer’s promise to pay the loan. CSO is not a lender.

CSO Credit Services and Fee Schedule – Secured Loans

- Credit Services: CSO's credit services include: (a) arranging for consumers loans secured by liens on unencumbered motor vehicle titles, with terms not to exceed 180 days and an Amount Financed from \$100.00 to \$25,100, and with an annual interest rate not to exceed 9.95% (each a "Loan"); (b) helping consumers complete the paperwork (including the credit application) needed to get a Loan from Lender; and (c) providing to Lender in respect of each Loan from Lender a guaranty or other credit enhancement satisfactory to Lender that backs the consumer's repayment of the Loan (with any such guaranty or other credit enhancement being referred to as the "Credit Enhancement").
Lien Filing Fee: Either \$28 or \$33 (depending on the county in which the lien is filed), payable to the Texas Department of Motor Vehicles. Lien filing fees for other states may vary. Both the Lender's lien and the CSO's lien are covered by the same filing fee. The lien filing fee is included as part of the Amount Financed.
Charges After Default; Costs of Collection: At any time after the occurrence of any default that results in CSO paying Lender under the Credit Enhancement, then CSO may recover from Consumer all charges, costs, fees and expenses, including all collection costs and reasonable attorneys' fees incurred or paid in exercising any right, power or remedy provided by the CSO Contract or by law, and charge interest on all or a portion of the principal paid by CSO to Lender under the Credit Enhancement, as provided in Consumer Reimbursement Obligation below.
Consumer Reimbursement Obligation: If CSO pays Lender any amount under the Credit Enhancement for any reason, Consumer must reimburse CSO for all amounts that CSO pays to Lender. Interest will accrue on the unreimbursed portion of principal for which CSO pays Lender under the Credit Enhancement at the rate of 9.95% per annum (subject to applicable limits).
CSO Fee - 30-Day Credit Products: The CSO Fee is a percentage of the Amount Financed, calculated as shown in the following table. The CSO Fee percentage will be determined based on the creditworthiness of the Consumer and whether the Consumer has done business with CSO previously. More creditworthy consumers and consumers who have a good history with CSO may qualify for CSO Fee percentages at the lower end of the percentage range.

Table with 2 columns: Amount Financed, CSO Fee as a % of the Amount Financed\*. Rows include ranges from \$0-\$1,149.99 to \$1,650.00-\$2,849.99 with corresponding fee percentages.

- CSO Fee – Secured Five-Month Credit Products:** The CSO Fee for secured product is based upon a percentage of the Amount Financed, calculated as shown in the *CSO Fee Schedule* set forth below. The CSO Fee percentage is determined based on the Consumer’s creditworthiness and whether the Consumer has done business with the CSO previously. The actual amount of the CSO Fee that CSO will charge Consumer will be set forth in the CSO Contract and also will be disclosed in the Note. The CSO Fee is fully earned by CSO on the date of the Note that CSO helps Consumer get from Lender. The CSO Fee is due and payable to CSO as provided in the CSO Contract. Consumer will not owe the CSO Fee to CSO if (a) the Lender denies Consumer’s credit application, (b) Consumer does not take a loan from Lender, or (c) Consumer cancels the CSO Contract as described therein.
